Martin Polo / Magda Polo w

Black (001), White (101), Dark olive (303), Navy (403), Indigo (418), Red (607)

AN: 1000211 / 1000212

GOTS certified piqué polo shirt in 95% organic Fairtrade cotton and 5% Elastane. The buttons are made from the recycled excess of buttons. The neck tape and vent are made from the same material as the piqué, to avoid incorporating other fabric and make it easier to recycle the garment when it is worn out. The garment has a modern cut, with pronounced shoulders and narrow-ribbed cuffs. Stylish flatlock stitching on the shoulders and yoke. Neck print on the inside with eco-label.

Material: 95% Cotton (organic), 5% Elastane

Weight: 220 g/m² **Care advice:** 60°C

Men's sizes: XS, S, M, L, XL, XXL, 3XL, 4XL

Women's sizes: XS, S, M, L, XL, XXL.

Morris Polo

Black (001), Graphite (025). White (101), Light olive (317), Navy (403), Aqua (424), Cobolt blue (436), Red (607), Dark orange (801)

AN: 1000207

Polo shirt featuring decorative band at the neck and vents. Half moon seam at the neck. The placket has white buttons and a contrast coloured herringbone patterned lining, as well as discreet tone-on-tone embroidery. Includes contrast coloured embroidery above the vents. The polo shirt is also available in a solid version.

Material: 100% Cotton

Weight: 220 g/m² **Care advice:** 40°C

Sizes: XS, S, M, L, XL, XXL, 3XL.

4XL only in colors 001, 403, 436, 607.

Marion Polo w

Black (001), Graphite (025). White (101), Navy (403), Aqua (424), Cobolt blue (436), Red (607), Cerise (658), Dark orange (801)

AN: 1000208

Carefully designed polo shirt in women's cut. Includes decorative band at the neck and vents. Half moon seam at the neck. Longer placket for a feminine look. The placket has white buttons and a contrast coloured herringbone patterned lining, as well as subtle tone-on-tone embroidery. Includes contrast coloured embroidery above the vents. The polo shirt is also available in a solid version.

Material: 95% Cotton, 5% Elastane

Weight: 220 g/m² **Care advice:** 40°C

Sizes: XS, S, M, L, XL, XXL

Weston Polo

Black/grey (901), Black/yellow (912), Black/orange (916), Navy/grey (954)

AN: 1000213

Polo shirt with placket in contrasting colours and white buttons. Reinforced seams. Contrast colour in the neckband and embroidery at the vent. Rib-stitched collar and cuffs. The polo shirt is also available in a solid version.

Material: 65% Polyester, 35% Cotton, Vortex.

Weight: 220 g/m² **Care advice:** 60°C

Sizes: XS, S, M, L, XL, XXL, 3XL, 4XL.

Wera Polo w

Black/grey (901), Black/yellow (912), Black/orange (916), Navy/grey (954)

AN: 1000214

Polo shirt in women's cut with placket in contrasting colour and white buttons. Longer placket creates a feminine look. Reinforced seams. Contrast colours in the neckband and embroidery at the vent. Rib-stitched collar and cuffs. The polo shirt is also available in a solid version.

Material: 65% Polyester, 35% Cotton, Vortex.

Weight: 220 g/m² **Care advice:** 60°C

Beckey Puffer Vest w

Black (001), Olive (305), Navy (403)
AN: 1001870

Beckey is a padded vest in women's cut with a classic quilt pattern. The vest combines function and fashion to keep you both warm and stylish in all occasions. The vest is made of a lightweight material of recycled polyester that gives you freedom of movement and comfort, which is perfect as a midlayer. Beckey has a minimalist design that is suitable for everyday but also for more dressed-up occasions.

Material: 100% GRS certified recycled nylon.
Padding: 100% GRS certified recycled polyester.
Weight: 40 g/m² **Care advice:** 40°C
Sizes: XS, S, M, L, XL, XXL, 3XL

Moro shell jacket

Black (001), Bright blue (415)
AN: 1001862

Moro shell jacket is a thin shell jacket designed to protect you as a user against wind, rain and snow. The functional shell jacket has taped seams and a high water column of 20,000mm. The jacket has a good breathability up to 15 000 g/m² so that you do not get sweaty or cold when you are active. We've also added ventilation under the armpit for even better breathability. Wear the shell jacket in layers and they'll work all year round.

Material: 70% GRS certified recycled polyester, 30% Polyester **Weight:** 115 g/m² **Care advice:** 40°C
Sizes: XS, S, M, L, XL, XXL, 3XL, 4XL, 5XL

Safety equipment backed by science

We don't just work to protect against workplace injuries, but also to prevent them. That's why our safety equipment is developed based on the needs and experiences of our users, supported by thorough research. So you can feel confident in doing what you do best.

ARGOS Polarized Safety Glasses

Grey (033)
AN: 1001641

Protective safety glasses (EN166) with polarized lenses that reduce glare on extremely sunny days without sacrificing clarity. They significantly reduce eye strain and fatigue caused by excessive glare from surfaces that often reflect strong sunlight, such as water, ice, glass, or vehicles. The slim temples ensure minimal noise leakage when used with ear protection. Wide panoramic coverage with a comfortable and flexible nose bridge, and angled temples designed for helmet adjustment.

Sizes: One size

ARGOS Photochromic Safety Glasses

Photochromic (931)
AN: 1001643

Safety glasses (EN397) with our most advanced lens featuring smart technology that automatically changes lens color based on prevailing UV light/sun conditions. Clear lens for indoor or cloudy environments, and dark lenses for sunny work environments. The slim temples ensure minimal noise leakage when used with ear protection. Wide panoramic coverage with a comfortable and flexible nose bridge, and angled temples designed for helmet adjustment.

Sizes: One size

ARGOS Safety Glasses

Transparent (103), Grey (033)
AN: 1001642

Protective and comfortable safety glasses (EN166) offering optical clarity optimized for long workdays. Premium protection against fogging and scratches ensures that these safety glasses have a longer lifespan and can be used in challenging environments. The slim temples ensure minimal noise leakage when used with hearing protection. Wide panoramic coverage with a comfortable and flexible nose bridge, and angled temples designed to fit the helmet size adjuster.

Sizes: One size

Salus OTG Eco Safety Glasses

Transparent (103), Grey (033)

AN: 1001730

Safety glasses that can be used over prescription glasses (OTG) fit over most prescription eyewear, allowing the user to wear their personal glasses under these safety glasses. Made of bio balanced PE plastic that reduces CO2 emissions during the manufacturing process for a greener future. Designed to be used together with conventional prescription glasses, continuing to provide effective protection due to the spacious design and the built-in browguard that shields against particles impacting the upper part of the glasses. The temples angle and length can be adjusted for a perfect fit. Certified in accordance with the EN166 standard, they offer protection against high-speed particles (F) up to 45m/s, with impact resistance tests conducted at extreme temperatures (T).

Sizes: One size

Salus Superfit Eco Safety Glasses

Transparent (103), Grey (033)

AN: 1001731

The Salus SuperFit Eco protective glasses are our lightest glasses ever with a weight of only 17g. High-quality frame made of biomass balanced plastic that reduces CO2 emissions during the manufacturing process for a greener future. Experience a new level of comfort with their modern, ultra-light, and ergonomic design. Ultra-light protective glasses with panoramic protection and unbeatable comfort, where the glasses are barely noticeable when worn. A flexible temple that perfectly shapes around the head with minimal pressure on the ears, ensuring comfortable use even during long workdays. Scratch-resistant and anti-fog. Manufactured in 100% ECO material with bio circular balanced PC plastic for reduced carbon dioxide emissions and decreased use of the Earth's fossil resources. Dielectric design with metal-free hinges.

Sizes: One size

Salus Slimfit Eco Safety Glasses

Transparent (103), Grey (033)
AN: 1001732

The Salus SlimFit Eco protective glasses are frameless lenses with panoramic protection. A very lightweight and durable frame made of biobalanced plastic that reduces CO2 emissions during the manufacturing process for a greener future. The temples conform to the head with minimal pressure on the ears for increased comfort. The curved design ensures excellent eye protection, even against particles from the side or above. Certified in accordance with the EN166 standard, they offer protection against high-speed particles (F) up to 45m/s, with impact resistance tests conducted at extreme temperatures (T).

Sizes: One size

Armet Safety Helmet

Black (001), White (101)
AN: 1001671

A well-ventilated and comfortable safety helmet (EN397) with a focus on comfort and safety. The world's first industrial helmet with MIPS and twiCEme, offering unique technical solutions and unbeatable comfort. MIPS is a protective system developed to reduce the risk of brain injuries from certain angled impacts. With twiCEme, the user can store their vital information directly in the helmet and make it accessible for reading with a smartphone. Chin straps optimized for hearing protection and are approved to be used with various ear protection brands.

Sizes: 53–63 cm

Armert Volt Safety Helmet

White (101)
AN: 1001674

Electrically insulated safety helmet with EN397 and EN50365 certifications for work in challenging environments. Equipped with the MIPS safety system, offering unique technical solutions and unbeatable comfort. MIPS is a protective system developed to reduce the risk of brain injuries from certain angled impacts. With twiCEme, the user can store their vital information directly in the helmet and make it accessible for reading with a smartphone. Chin straps optimized for hearing protection and are approved to be used with various ear protection brands.

Sizes: 53–63 cm

Armert Volt Reflex Safety Helmet

Blazing yellow (707)
AN: 1001675

Electrically insulated safety helmet with EN397 and EN50365 certifications for work in challenging environments, and increased visibility in dark environments thanks to the reflective decals.. Equipped with the MIPS safety system, offering unique technical solutions and unbeatable comfort. MIPS is a protective system developed to reduce the risk of brain injuries from certain angled impacts. With twiCEme, the user can store their vital information directly in the helmet and make it accessible for reading with a smartphone. Chin straps optimized for hearing protection and are approved to be used with various ear protection brands.

Sizes: 53–63 cm

VisorFlex Headlamp

Black (001)
AN: 1001656

The unique Guardio VisorFlex lamp is designed to be used in conjunction with the helmet visor without compromising usability and functionality. The headlamp and its helmet holder are attached through the visor's screw holes, allowing the user to adjust the headlamp and visor simultaneously to ensure optimal illumination and perfect light distribution, whether the visor is raised or not on the helmet. It is lightweight with five light modes, providing up to 2360 lumens. A rechargeable battery is included. It has a wide and long range of up to 150 m. A charging cable and headband mount are included. The battery life lasts up to 38 hours, and it is water and dust resistant according to IP66.

Theia Visor Helmet Accessories

Transparent (103)
AN: 1001677

The Theia protective visor (EN166 1B) is specially designed for Guardio ARMET protective helmets. A short visor that provides good protection against eye damage through a high-quality material that is certified for impacts of up to 120 m/s. The visor is also scratch-resistant and treated against fogging, while the drip protection is there to prevent rainwater from dripping down inside the visor.

Freebird BT Hearing Protection

Black (001)

AN: 1001645

Guardio Freebird BT is a professional-grade hearing protection (EN352) that meets high demands for protection, comfort, and top-class sound quality. It features Bluetooth technology for hands-free calls and music streaming via Qualcomm, with patented apt-X technology that enhances audio quality. The rechargeable battery offers up to 120 hours of operation. Smart solution where the hearing protection can easily be transformed from headband use to helmet adapter. Tested and approved for use with several leading helmet brands. Bluetooth multipoint and built-in ambient awareness with superior attack time technology. Charger, headband, helmet adapter, and storage pouch included.

Qualcomm[®]
aptX[™]

Freebird PRO Hearing Protection

Black (001)

SALOMON

XA Pro v9 GTX Shoe

Black (001)
AN: 1001192

The legendary waterproof outdoor shoe for all-round performance. This updated version of the iconic XA PRO V8 GORE-TEX is lighter and softer, while retaining all the essentials benefits of the original (stability, cushioning and grip). Featuring Contagrip® premium wet compound, a waterproof Gore-Tex membrane and improved 3D chassis, this shoe effortlessly accompanies you wherever the trail takes you. Now 20g lighter, the shoe features a seamed upper and thinner, softer materials for the perfect balance between comfort and protection. The new geometry of 3D chassis provides just the right amount of stability and comfort for a more secure ride. Full premium wet traction grip and a fully waterproof Gore-Tex membrane means you can ignore the wet and concentrate on the trail ahead.

Sizes men: 41 1/3, 42, 43 1/3, 44, 44 2/3, 45 1/3, 46, 46 2/3, 47 1/3, 48, 49
